

RESOURCE GUIDE

A GUIDE TO IMPROVE AND FACILITATE
THE RESPONSE FOR HUMAN
TRAFFICKING VICTIMS

SAATURN

Southern Arizona Anti-Trafficking
Unified Response Network

Acknowledgements

The Southern Arizona Anti-Trafficking Unified Response Network (SAATURN) Resource Guide was developed by task force partners from a diverse team of community stakeholders including law enforcement, prosecution, service providers, faith organizations, education institutions and community members. The task force assists human trafficking victims of both sex and labor trafficking.

Mission Statement

SAATURN is a collaboration between U.S. Attorney's Office, Homeland Security Investigations, Tucson Police Department, and CODAC working together with Task Force members to:

- 1) Provide comprehensive services to trafficking victims by identifying and addressing their needs for safety, security and healing.
- 2) Proactively investigate, identify, apprehend and prosecute those engaged in human trafficking.

Purpose

The purpose of this resource guide is to improve and facilitate the response for human trafficking victims. and provide more information on a variety of resources available in Pima County.

Trafficking victims generally are not able to obtain these resources by themselves; they need someone to guide them through the process of accessing benefits and services that can rebuild their lives.

For additional information regarding SAATURN or to be listed as a resource for victim services, please contact Margarita Hallisey at mhallisey@codac.org.

Introduction

Victims of Trafficking and Violence Protection Act of 2000 (TVPA)

An act to combat trafficking in persons, especially into the sex trade, slavery, and involuntary servitude, to reauthorize certain federal programs to prevent violence against women, and for other purposes.

Under this Project Number (2015-VT-BX-K006 and 2015-VT-BX-K0048), a victim of trafficking is defined as a person who has been subjected to a “severe form of trafficking,” which, as defined in 22 U.S.C. 7102(9), means:

- a) Sex trafficking in which a commercial sex act is induced by force, fraud, or coercion, or in which the person induced to perform such an act has not attained 18 years of age; or
- b) The recruitment, harboring, transportation, provision, or obtaining of a person for labor or services through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery.

Trafficking also involves violations of other laws, including labor and immigration codes and laws against kidnapping, slavery, false imprisonment, assault, battery, pandering, fraud, and extortion.

What inspired this guide?

This guide was created to enhance collaboration efforts and increase the awareness of available programs and services among service providers in Pima County and Southern Arizona. Agencies, organizations and individuals are providing services for victims and survivors of human trafficking. However, many do not know which specific groups provide what services for this targeted population. The guide was created to outline the services available to human trafficking victims and survivors in Pima County and the surrounding areas to hopefully bridge the gaps in Southern Arizona.

CATHOLIC COMMUNITY SERVICES OF SOUTHERN ARIZONA: IMMIGRANT SURVIVORS LEGAL ASSISTANCE (ISLA)

Immigrant Survivors Legal Assistance provides services to men and women over the age of 13. Intakes are accepted by referrals and by phone call. For intakes, please contact Jeannette Huerta-Hurtado by phone at (520) 670-0872 or by email at jeanneth@ccs-soaz.org.

Legal Assistance Services: Through a grant with the US Department of Justice Office of Violence Against Women, ISLA attorneys and paralegals work with immigrant survivors of domestic violence and sexual assault on their immigration cases. The program also works to provide referrals to pro bono attorneys for people who are seeking asylum in the United States. We accept people who contact us directly. Staff of shelters and community advocates may refer individuals. We can serve residents of Pima, Pinal, Santa Cruz, Cochise, and Yuma Counties with the attorneys traveling to meet with clients in all counties.

CODAC HEALTH, RECOVERY & WELLNESS

CODAC provides a full continuum of professional services for children, youth and adults (ages 6+) seeking care for substance abuse, trauma, depression, anxiety, anger, relationship troubles and other general mental health issues, as well as schizophrenia, bipolar disorder, major depression and other serious mental illnesses and mood disorders.

Additionally, CODAC provides primary care, medication management and wellness support.

New clients (called “members”) who are interested in scheduling an appointment should call (520) 327-4505 to speak with an Enrollment Specialist. CODAC is contracted with many insurance companies; a sliding fee scale is also available for services not covered by an individual’s insurance.

CODAC HEALTH, RECOVERY & WELLNESS

A full listing of CODAC's Programs and Services can be viewed at www.CODAC.org. Here are a just a few highlights:

Therapy/Counseling: Individual, couples, family and group counseling is available to help identify and work through past and current challenges, with a focus on building skills to cope when future challenges arise. Therapy includes assessment for trauma and trauma-risk, and specific trauma treatments.

Psychiatric Services: CODAC's compassionate and professional behavioral health medical professionals provide psychiatric assessment and recommend a treatment plan which may include therapy, medication, and other wellness activities.

Medical Care: CODAC offers "integrated" primary care to its members seeking general medical care.

Women's Services: CODAC's Women's Services provides specialty care for women to help restore positive sense of self, regain the personal strength to make healthy choices and find the joy in life. The all-female staff and clientele provide a safe and supportive environment to process, heal and grow.

Men's Services: CODAC offers specialty care for men with addiction, depression, anxiety, anger issues, trauma and more serious and persistent mental illnesses. Our complete health care approach now includes primary health care, in addition to our behavioral health care services.

Employment Services: CODAC's employment specialist assists members in work-readiness skills, looking for jobs, writing resumes and preparing for interviews. CODAC has many connections with local employers.

For more information, call (520) 327-4505 or visit www.CODAC.org.

EMERGE!

Emerge! Is the largest provider of domestic abuse prevention services in Southern Arizona. An organization that addresses all forms of abusive behavior, not just physical violence. Recovery Services: Provide case management for victims/survivors as well as legal assistance, food and clothing and referral services for all members. Women's recovery services has a short program comprised of ministering to 6-8 women at a time lasting 8 months while the long-term program lasts 18 to 24 months, ministering to 12 women at a time. The Men's recovery program is 18 month to 2 year program providing basic need of the students such as housing, meals, clothing, toiletries, over the counter medications and transportation.

Shelter and Housing Services: Candidates are accepted on the basis of bed availability, without regard to age, education, ethnicity or religion. The single exception being that we can not take Level II or III sex offenders. Though shelter is limited GRMT would purpose to make beds for trafficking victims a priority on availability.

Women's 7 Day Stay: Provides emergency services and shelter to unaccompanied women or women with children. Every shelter guest receives hot meals, showers, change of clothes, toiletries, over the counter medications and case management. After the third day, shelter guests are invited to participate in the 90 day extended shelter program.

Women Up to 90 Day Stay: Provides up to 15 beds each evening for women and children. The women in the program receive daily devotions, case management, discipleship instruction, medical assistance, substance abuse & recovery education, evening chapel services, community meetings, parenting classes and employment assistance.

* Women are required to attend chapel and community meetings.

* Children required attending Children's Chapel and attending school.
